

SAMPLE oral presentation or symposium template
when applying to participate in the
1st International Interdisciplinary Congress
"NEUROLOGY and SOMATICS: Global Perspective on Multimorbidity"
dedicated to the 105th anniversary of Privolzhsky Research Medical University

Dear authors of reports!

Please kindly reach out to obtain a speaking slot and/or co-host a symposium
(under the key focus areas specified in the Information Letter)
via office@nn-terra.ru prior to 18 February 2025

- 1. In the subject line, please kindly specify the FOCUS AREA and section of the Congress you would like to make a presentation or host a symposium, and attach a short abstract, e.g.:**

Section 1: Evidence-Based Medicine and Clinical Guidelines for Multimorbidity (*Interdisciplinary evidence-based medicine and multimorbidity) TITLE OF THE SYMPOSIUM/REPORT

Abstract "The purpose of the symposium is to consider new clinical recommendations for the diagnosis and treatment of life-threatening cardiac arrhythmias. The audience will be presented with up-to-date information on channelopathy and arrhythmogenic cardiomyopathy. Based on the information received, the attendees will learn to apply modern algorithms for the diagnosis and treatment of patients in clinical practice, including emergency care during arrhythmia attacks"

- 2. PLEASE indicate the title of the symposium/report, information about the author and contact information in the body of the letter, e.g.:**

TITLE OF THE REPORT/SYMPOSIUM

Lumbosacral radiculopathy. Clinical guidelines
